I lived out on a peaceful dairy farm;
A lovely place that was quiet and calm.

Well, it was quiet and calm until the day
A spaceship beamed a cow away!

The Ship appeared, **BEEP! BOOP! BEEP!**
A light came down, **MEEP! MOOP! MEEP!**

A cow rose up with a startled, **'MOO!'**
But there was nothing I could do!

I hadn't seen a thing like it before,
It slurped my cow up like a straw!

The Spaceship zoomed into the night,
Over the hills and out of sight!

I yelled into the sky, **"Hear me now,
You will NEVER get another cow!"**

The next night I moved the cows under a roof,
That ship was out of luck; the plan was bulletproof!

For hours I waited and watched the sky;
Maybe The Spaceship wouldn't come on by?

But then...

The Ship appeared, **BEEP! BOOP! BEEP!**

A light came down, **MEEP! MOOP! MEEP!**

It picked up the barn and moved it to one side,
Then took **TWO** moo-ing cows for a little ride!

And just like the night before,
The cows were sucked up like a straw!

The Spaceship zoomed into the night,
Over the hills and out of sight!

I yelled into the sky, **“Hear me now,
You will NEVER get another cow!”**

The next night I tied a rope 'round every hoof,
That Ship was out of luck; the plan was bulletproof!

For hours I waited and watched the sky;
Maybe The Spaceship wouldn't come on by?

But then...

The Ship appeared, **BEEP! BOOP! BEEP!**

A light came down, **MEEP! MOOP! MEEP!**

TEN cows started rising into the night,
But the ropes held them nice and tight!

I yelled, "**HA! I said no cows for
you, you stupid Ship!**"

But then a giant pair of scissors
floated down and **SNIP! SNIP! SNIP!**

The scissors cut and the cows weren't
tethered any more,
And again The Spaceship slurped them
up just like a straw!

The Spaceship zoomed into the night,
Over the hills and out of sight!

I yelled into the sky, "**Hear me now,
You will NEVER get another cow!**"

I'd had enough of The Spaceship taking cows,
So I decided to sneak aboard the ship and **POW!**
I'd beat up whatever flew The Ship
And crash it down into the local tip.

I dressed up as a cow and joined the herd,
I waited patiently all night without a word...

Then...

The Ship appeared, **BEEP! BOOP! BEEP!**
A light came down, **MEEP! MOOP! MEEP!**

And... **YES!** I got picked up like the cows before,
And was sucked into The Spaceship just like a straw!

On The Ship I made my way to the captain's chair
And you'd never guess what I found sitting there...

The captain of The Spaceship was A COW!
I said, "Why kidnap other cows just now?!"

The Cow Captain said, "**KIDNAP?!** You have it wrong...
Cows are leaving because we've been on Earth too long!
We all arrived a thousand years ago for a grazing holiday,
But humans have been **EATING** us and it's time to get away!"
I said, "That's fair enough, good to know!
Why not drop me here and I'll let you go?"

The Cow Captain said, "Oh no, you know too much now,
If I let you go you'll warn the humans 'bout the cows!"

So I travelled as a prisoner with The Cow Captain to Planet MOO;
Trying to catch a spaceship was the worst thing I ever tried to do.
